

## Resident Outing Pre-trip information

For us to effectively risk assess please provide as much information as possible regarding proposed outings for residents.

This will then allow us to effectively determine suitability/safety. Included below is a brief questionnaire.

Please include any information you feel may be relevant in the 'Additional Info' box at the bottom of the form. We may also need to request further information as necessary. Thank you!

**Additional Info**

Please include as much detail as possible e.g., will resident be remaining in the vehicle or not, will the proposed outing include the resident eating, will the outing be predominantly outdoors or indoors etc.

**Please note**

All persons involved must have a negative Lateral Flow test immediately preceding the visit and must wear masks whilst in the vehicle and adhere to any local requirements regarding masks wearing.

Residents must maintain safe social distancing from anyone who is not part of their group, and wherever possible must also avoid close physical contact with those supporting the visit.

Pre-approved outings may still be dependent on weather and any changes in local infection guidance

### **Suggested outings:**

- Scenic excursion whilst remaining in vehicle
- Scenic excursion outside of vehicle, e.g., walk around local village
- Wicksteed Park (outside) – including train ride
- Sywell aviation museum
- Holdenby falconry centre
- Seasons garden centre
- Stanwick Lakes – (outside)
- Your own garden!

We welcome any feedback to other suggestions for outing destinations.

### **Additional Information**

- A dynamic risk assessment will be completed each visiting day and in the event of bad weather and/or extremes of temperature visits will not go ahead, and visitors will be advised accordingly
- If the Nurse on Duty determines that the resident is not well enough to receive a visitor, they will contact the visitor as soon as possible
