Monthly Newsletter

## WELCOME

by Maggie

Since the start of 2026, it seems we've had constant rain, cold days and dark skies. This makes the role of our activities team even more important, helping to lift spirits and bring warmth and positivity to these dreary days.

### In this newsletter:

#### Maggie's Round-Up

#### Activities Update

#### Staff News

#### Resident News

At any time while visiting our home, you'll hear residents chatting, laughing and joining in with quizzes, games and group activities. These moments of connection and enjoyment play such an important role in supporting everyone's wellbeing and we're so proud of the vibrant atmosphere our team helps create every day.

A heartfelt thank you to Stuart for kindly helping Joseph with a generous donation of wood - and giving his valuable time to build new fencing for our compost area. Thanks to this wonderful support, we've been able to use our own compost this year on our rose and flower beds. Seeing everything come together has been truly rewarding and feels like a fantastic achievement for everyone involved.

Here's to Spring days!

# ACTIVITIES UPDATE

The date for our Summer Fete will be Sunday 12<sup>th</sup> July - so pop it in your diaries. Thank you to everyone who supported us with our Countryview Calendar - £480 was raised for the residents' fund.

Our focused activity for all residents is nostalgia - taking time to look back on life's special moments and treasured memories, bringing them to life through a picture collage. It's been truly moving to see memories shared, laughter exchanged, and friendships strengthened along the way.

In our last newsletter I asked if anyone had nostalgic/historic books of areas where your loved ones grew up or the area of Kettering which would benefit our residents we would love to borrow these - thank you to those who have kindly provided some - more would be welcome!

## RESIDENT NEWS

Thank you to those who attended our Resident Meeting on 30<sup>th</sup> January. Separate minutes are available in the home and with this newsletter. Look out for your quality assurance newsletter

## STAFF NEWS

We welcome to the team  
Sam - Kitchen Support  
Melan - Healthcare Assistant

Care & Nursing Staff have recently completed Dementia Training delivered by an accredited trainer in "Positive Approach to Care"
