WELCOME

by Maggie

Spring seems to have arrived at last with the weather getting warmer. The spring and summer bulbs are coming up in the garden and the polytunnel is full of plans and seedlings ready to fill the hanging baskets and patio pots.

The Coronation of King Charles III was celebrated in style by all the residents on Coronation Day. The projector was set-up in the dining room and everyone was served a delicious buffet lunch of homemade quiche, scones and sandwiches. Many thanks to everyone who went above and beyond to make it an extra special day.

Have you seen our Facebook page? Keeping you, our resident families up to date with what's happening at the home is really important and using this newsletter, the home notice board and social media ensures we are reaching out in different ways.

ACTIVITIES UPDATE

Activities within the Nursing Home have had a packed programme for May. Don't forget our "Chat and Chew" each Friday afternoon which is open to everyone. Our residents have Cooking Club in the morning and then proudly serve this to visitors in the afternoon. Come and join us for tea, chat and goodies

We are planning some outings in the upcoming months to West Lodge as well as exploring the opportunity to visit Boughton House. The offer of support of resident families' to help out on the day would be most appreciated. We will be in touch directly with you individually to see where support can be offered. Thank you in advance, it is greatly appreciated.

STAFF NEWS

We welcome to the team

Annalisa- Carer

Congratulations to our Junior Carer Frankie who has passed her Health & Social Care Exams with flying colours

Food Items

Please ensure that any food items brought into the home for your loved ones are declared to the Nurse on shift.

This is in line with our Food Hygiene Policy - thank you

ORAL HEALTHCARE

We are updating our Oral Policy at the moment and would ask if you can let us know -

- Is your loved one registered with a dental surgery?
- Which dental surgery?
- Any future appointments booked
- When was the last visit you are aware of
