Decorating the Nursing Home remains ongoing, with Mick currently decorating the doubles corridor and then onto the dining room where we now have installed air conditioning in readiness for warmer days. We remain on schedule for the visitors toilet to be refurbished during next month.

Outside, the large laylandi trees have been replaced with fencing which now completes the enclose of the entire garden. However, the lambs managed to find a way into our gardens and seen were enjoying our plants rather than the grass! Chicken wire soon ensured they were back in the field!

The home is very busy at the moment, with various training sessions taking place for our staff across a variety of skills to ensure that we continue to offer the high quality of care to all residents.

# ACTIVITIES UPDATE

The residents have been spending Tuesday afternoon's reminiscing with Debbie - one of our resident support team. Each week, Debbie has been chatting about different topics which spark conversation and memories such as holidays, days out, favourite family meals and most recently remembering past Jubilee's and the Coronation. The sessions has sparked some wonderful conversations and much laughter from the group

Preparing for the Jubilee has been the theme for activities this week and will be for next week as we get closer to 2nd June. Residents will be making a time capsule, making table decorations and colouring pictures. Everyone is very excited to invite you to our Platinum Jubilee Garden Party which is to be held on Sunday 5th June 2.30pm to 5.30pm. Afternoon tea, cake and ice cream's are planned along with some live entertainment from Zing! Let's hope the weather is kind to us! We would love to see you there.

## FAMILY OUTINGS

Our resident families are now, post COVID, able to book to take their loved ones on trips out of the home. The small company vehicle can be booked for those in wheelchairs. Drivers need to be over 25 with a clean driving licence. Our website has a link to the Outings Form which needs to be completed prior to each trip or speak with Ruth directly.
