WELCOME

by Maggie

The summer seems to be taking a long time to arrive this year so let's hope the weather gets warmer and settled soon for us to enjoy the outside spaces.

The refurbishment of the Old House continues on. The exterior facias and first floor windows have been repainted. The ground floor windows will be completed during July - hopefully rain free! The new toilet is nearing completion on the first floor, with work on the wet room set to start imminently. Thank you to everyone for their patience with the parking challenges!

The dining room is close to being finished with a fresh coat of paint and new roller (blackout) blinds in place. New tablecloths and place mats will follow shortly. The summer menu is now in place with input and feedback from the residents to ensure the choice is what they want to see at their home.

A very big thank you goes to all the staff at Countryview for their hard work, care and compassion during the last month. The home has been extremely busy and staff have worked tirelessly to keep everyone safe and content.

ACTIVITIES UPDATE

During this last month, we have found our creative side in our gardening sessions, using flowers to create bookmarks and keyrings. We have also started to try the craft, decoupage to create some beautiful signs around the garden which I'm sure you will spot soon.

The residents kindly made one for the nurses on duty that day. We've also written a letter to The King for his birthday, we have our fingers crossed for a reply.

We all took a moment to watch the D-Day Programmes, there wasn't a dry eye in the home.

Some of you may have noticed that we are making changes to a corner in the main lounge. This is an area for anyone "just to take a moment". Finally, our relax and massage circle is growing every week which is great to see.

Staff News

We welcome Roshan to the Healthcare Team this month.

Our Nurses have been continuing to develop and refresh their professional skills by attending courses on Wound Care, Syringe Pumps and Pressure Areas .

Terms and Conditions

An updated version of our Terms and Conditions have recently been sent to all resident families via email. Do let Ruth know if you wish to have a printed version.
