WELCOME

by Maggie

After such a very warm, dry spring, rain has finally to help the plants in the garden come into bloom. Joseph is busy putting the final touches to our annual hanging baskets which we hope will be on display very soon!

Resident News

Staff Training

Following the most recent incident on the Warkton bridge, we have written to our local MP requesting a review of the speed restrictions and to consider traffic calming measures for what is at times, a racetrack, which in turn is a danger to those staff and visitors coming to the home. We have received a response from the MP to say this has been passed to the Northants Highways Agency. We will keep you updated on any progress that is made.

A big thankyou to everyone who took part in the Easter Raffle in which we raised £180 for resident funds. Our next event is our Summer Fete on Saturday July 5th at 2.30pm and we are delighted that local Green Councillor Emily will join us to officially open the fete. This will be a chance for everyone to get together, enjoy entertainment, browse a few stalls and enjoy tea and cake. We have secured the use of the farmers field to help with parking on the day. Let's hope the weather will be kind to us.

ACTIVITIES UPDATE

The VE Day celebrations were enjoyed by residents, staff and visitors alike. We have received some amazing feedback from our residents about the day that we have captured -

“Very well done in everything”

“The entertainment was very good and the food was beautiful, loved the scones”

“Staff worked very hard to make the home look lovely”.

We are looking for your help in donations for our tombola and plant stalls for the upcoming fete. Please see one of the activities team and they can help.

Please don't forget our Friday chatter and natter. All are welcome in the dining room at 2.30pm to chat about topical issues of the day over a cup of tea and cake!

RESIDENT NEWS

Reminder that our next resident and resident families meeting Friday 27th June 2.30pm.

STAFF TRAINING

Next month sees our Nursing Team completing Refresher Training on all aspects of Catheter Care Management. Our Care Team have all recently completed Oral Care Training to support our residents in their personal care needs.
