WELCOME

by Maggie

Winter has most definitely arrived with a cold snap. To ensure that all of us at Countryview are warm and comfortable we are in the middle of changing all remaining old storage heaters to more efficient and economical ones. We aim to have all replaced by early 2024.

Mick is very busy repainting the corridors of the New House with a fresh lick of paint and brightening up the home with white paint. I sometimes liken our wonderful home to The Forth Bridge; there's always something to be done!

The new flooring has now been extended through to the corridor to the Old House and Cleaners cupboard with new curtains also in place for all of the bedrooms in the doubles corridor of the New House.

We hope everyone has a wonderful Christmas and a Prosperous New Year.

If you are visiting us on Christmas Day, presents will be opened from 11am so all are welcome to come and join in the festivities.

ACTIVITIES UPDATE

We have introduced a monthly activities “What’s On” board in the lounge for residents and visitors to keep abreast of what is happening on what dates. This month is busy with a variety of entertainers coming into the Nursing Home to help us celebrate Christmas. We have the Decibelles Ladies Choir coming to sing in the lounge at 3pm on 9th December as well as entertainment every Wednesday morning. We shall be holding a Christmas Raffle from Monday 11th December which will be drawn after Jenny and Bob’s Concert on 20th December at midday. Tickets will be on sale in reception and all money raised will go into the residents’ fund. We will discuss how with the residents how they wish to spend any money raised at the next residents meeting in March 2024.

Joseph has kindly potted up 29 little fir trees from the garden, residents have been busy personalising their own to put into their rooms and for those less able, ensuring they have one too.
