WELCOME

by Maggie

April brings with it the welcome signs of spring, longer days, blossom appearing on the tress and gardens beginning to burst into life. The lambs have started to arrive in the surrounding fields - this is always an exciting time for both residents and staff!

I would just like to take a moment to sincerely thank all of our staff - in every role across the home. The work they do each day makes a real difference, but it is especially important during the most sensitive times, when residents are nearing the end of their lives.

During these moments, the care, compassion and commitment shown by our team is truly remarkable. Supporting not only our residents, but also their families, requires kindness, dignity and dedication, and I am incredibly proud of how our staff come together to provide this.

Recently we received a card from a family which said “thank you for the friendships Mum made with the staff, thank you also for the support you have given us as a family”.

ACTIVITIES UPDATE

Thank you for everyone who supported our Easter Raffle - we raised £276! These will go into the residents' funds and we will chat at our next Residents Meeting about how the Residents would like to use the money raised.

Our recent focused activity on Nostalgic Boards has made the press! We are members of NAPA - the National Association of Activity Providers in Care Homes - and they were so impressed with our activity that they wanted to share the idea with their membership.

Thank you to our residents who spent their time knitting small easter chicks which were used as part of our Easter Egg Hunt for staff! Fun and laughter was had by everyone!

RESIDENT NEWS

Our next residents' meeting will be held on Friday 24th April at 2.30pm. We will be sharing the results of our recent quality assurance survey at the meeting
All Welcome.

STAFF NEWS

Congratulations to Lindsey and Kerry on their recent promotion to Senior Healthcare Assistant
