Staff Update

A big thank you to everyone who came to our Summer Fete earlier this month. What a wonderful afternoon it was and it was so lovely to see so many relatives present and past coming along. A massive thank you to the activities team, volunteers and all those who worked behind the scenes to make the day such a success. We raised just over £1000 on the day which is marvellous. Some of this will go towards a Panto or similar special entertainment for Christmas which the residents have requested. If you have any suggestions then do let us know.

Our first trip out this summer will be to Wicksteed Park with a much-anticipated train ride included as well as a historical chat by the staff at the Park I am sure it will be a lovely day.

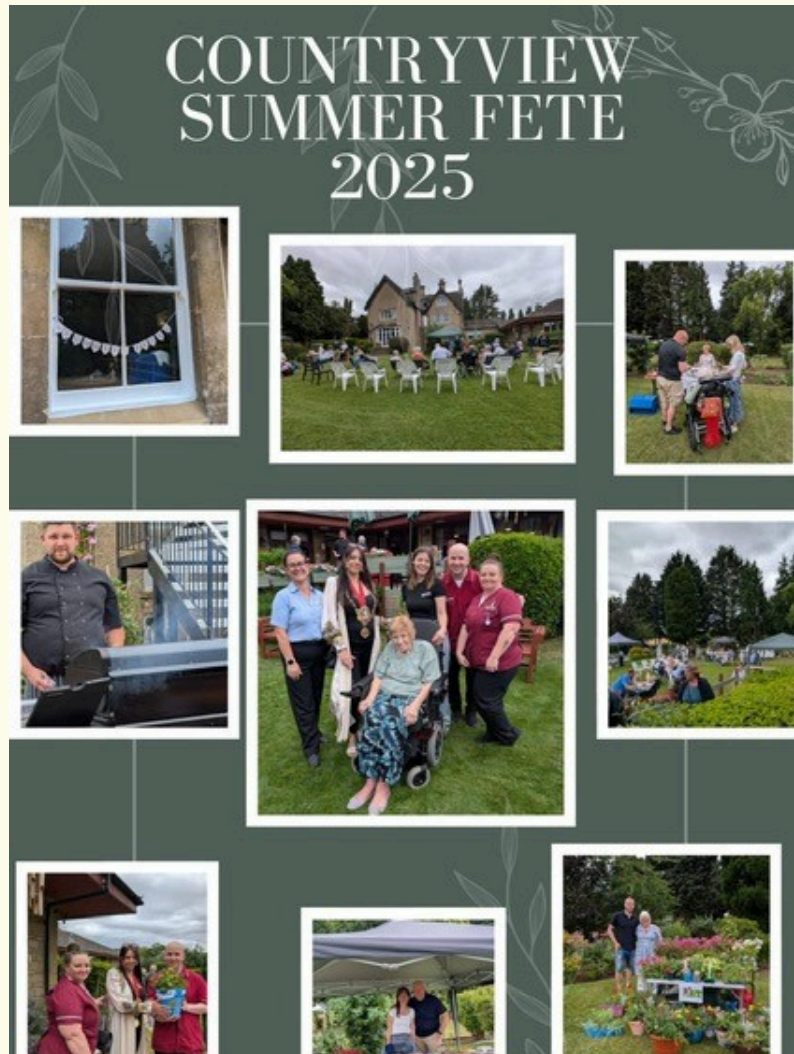

As Autumn will upon us soon we will be embarking on our major investment project for the year. This will be a full renovation of the residents toilet in the New House - there will be some disruption but we will keep residents and yourselves informed as we progress.

# ACTIVITIES UPDATE

Our wonderful residents put in so much effort creating their handmade items and it truly showed - everything was made with care and creativity.

We were also delighted to welcome back our Deputy Mayor, Gemma, who joined us for one of our relax and massage sessions. Gemma commented on how lovely the experience was and how it was a brilliant way to bring calm & comfort to our residents.

The residents are currently enjoying board games such as Ludo, Draughts & Connect 4 with the newest hit being Scrabble - this really makes us think.

## RESIDENT NEWS

We continue to see resident families use the company vehicles for outings which they very much enjoy.

We ask that a contribution of £5 is made towards the running costs when used for outings - this does not include any use for essential appointments

## HAPPY RETIREMENT & WELCOME!

This month we said goodbye and happy retirement to Cath who left after 18 years of devoted service.

We welcomed Heather to the Care Team who joins us on our day shift.
